

RHS Community Council  
Minutes from February 19, 2020

Those in attendance: Dave Sorensen, Nathan Costa, Nancy Harris, April Kirschner, Shaunna Blake, Kristin Perschon, Angela Morrill, Brent Gubler.

**1. Reviewed minutes from last meeting September 24, 2019**

Follow up discussion on minutes from last meeting. Deb Bate's class has been covering a lot of what the character ed class also covers.

Are work base learning programs being used? Yes, they are changing the requirements to require the students to have more meaning behind it. They are tightening up on who is allowed to do it. The students need to have more interest and path for the job in the future. Students are required to complete two workshops: Resumes and Interviews as well as some online assignments.

Janell Johnsen is the CTE Internship coordinator

**2. Updated Council members emails and phone numbers**

**3. Trust Land expenditures**

All of the money currently used for the trust land expenditures is used only for salary for teachers, reading program and some character ed.

**4. Adjust and Pass the 2020-2021 Trust Lands goal and School Plan**

We have adjusted our trust lands goals from multiple goals to one goal with multiple tiers or steps.

RHS goal: Richfield High School will have a graduation rate of 95 percent, decrease falling grades by one percent, and maintain an 80 percent college application rate among seniors.

Mr. Costa and Mr. Sorenson will work on a google form questionnaire that allows us to better estimate how many students are applying to a college.

Our graduation rate is hard to identify exact amount - any students that leave RHS but schools do not request their information show on our drop out or missed graduation rate.

**5. March 24th ACT Testing with Parent-Teacher Conference**
